

## CONGRATULATIONS!

Learning that you are about to be a mother is exciting and a bit scary. We know you want to do everything you can to be sure your baby enters the world healthy. The Commonwealth of Kentucky believes one of the most important things you can do for yourself and your unborn baby is to be sure to get early and regular check-ups with your healthcare provider during your pregnancy.

A process called "Presumptive Eligibility" (or "PE") allows pregnant women who have not yet applied for a medical card to receive temporary (less than 90 days from the day you receive your PE card) coverage for prenatal care. Your healthcare provider can arrange for PE coverage while you are in the office.

This brochure will help answer many of your questions about PE. Fill out the form on the back of this brochure and return it to your healthcare provider's office staff. If you qualify, they will issue you a PE card. This will allow you to obtain prenatal services from healthcare providers who accept Medicaid.

### How do I know if I qualify for PE?

You will qualify for PE if:

- ◆ You do not have a medical card for yourself or have not applied for one; and
- ◆ The amount of money you earn or receive each month is less than or equal to the amounts listed below. Ask your healthcare provider's office staff to help you if you are not sure how to figure these amounts:

NUMBER OF PEOPLE IN FAMILY	MONTHLY INCOME AMOUNT (2009 LEVELS*)
2	\$2,247.00
3	\$2,823.00
4	\$3,400.00
5	\$3,976.00
6	\$4,553.00
Each Additional Family Member	Add \$577 to the previous monthly income amount

\* These amount change around April of each year.

If you have already applied for PE benefits at another physician's office for this same pregnancy, you are not eligible to apply again.

### What Prenatal Services Are Paid for Through the PE Program?
